Portfolio

Skills

- HTML
- CSS
- JAVA
- REACTJS
- NODE JS
- AWS
- FIGMA
- JENKINS
- JAVASCRIPT
- SQL
- MONGODB

As a final-year student with a strong conceptual understanding of software development processes and testing procedures, I am excited to put my knowledge into practice. I aim to effectively contribute to application development projects, assist unit testing, and follow established processes to offer high-quality solutions while constantly improving my skills.

Education

KL UNIVERSITY	2021-2025
Computer Science Engineering	B.Tech
9.65	
SRI CHAITANYA JUNIOR COLLEGE	2019-2021
